

Tips for Parents of School Age Children (5-9 years)

FIGHTING WITH SIBLINGS

Child is learning about power and empathy.

INSTEAD OF SAYING ...

TRY...

"Stop fighting right now!"

"Let me give you both a good spanking/whooping so you stop fighting all the time."

"No TV for a month!"

- "If we play together without fighting, we get to do more fun stuff."
- "Let me set the timer so you and your [brother] can take turns."
- "Your [sister] is younger than you and doesn't understand how taking turns works yet. Can you show her/him?"
- "Let's wait. I'll hold the remote while we figure out what we want to watch."

BAD GRADES

Some children learn easily, and some need your help to get their grades up. Make sure your child is getting enough sleep in order to learn. 9-11 hours is ideal for ages 6-13. Help child learn good habits by having daily routines around homework and studying.

INSTEAD OF SAYING ...

TRY...

"You are so stupid."

"You are not good at [reading] at all."

"This is so easy – why are you so bad at this?"

- "You just haven't learned [multiplication] YET, but if we work on it together, you will get better."
- "I notice the grade for this class is low. What is difficult about this class? How can I help?"
- "Do you have a friend we could ask to help you with this?"

MISBEHAVING AT SCHOOL

Listen to your child's problems. Try to understand the need underneath the behavior.

INSTEAD OF SAYING ...

TRY...

"You are stupid for getting into trouble!"

"You are heading straight for jail!"

"Let me give you a whooping so you can remember to behave next time."

- "Your teacher called me about something that happened at school. I want to help. Tell me what happened."
- "If you could make school any way you wanted, how would it be?"
- "When you behave this way [whatever the behavior might be], what do you need?"

BEING AGGRESSIVE – HITTING, GRABBING THINGS FROM OTHERS

Instead of calling out child for assertive behavior, try helping them to stand up for themselves without aggression.

INSTEAD OF SAYING...

TRY...

"You are so mean – stop hitting!"

"You are a bad boy/girl!"

"Don't hit!"

- "When you [hit, bite] your [brother], it hurts him, and he feels sad."
- "Let's find something else to play with."
- "It's OK to be angry, but I won't let you hit. We need to keep everyone safe."
- "It's your [sister]'s turn with the [train]. I will help you wait until it's your turn."

CONNECTING WITH PRE-TEENS

- "You bring me joy."
- "I had such a good time with you today."
- "It really feels good when you listen to me."
- "Thank you for listening."
- "I can see you are really engaged, and it's hard for you hear me."
- "I noticed you weren't able to do... How can I help you?"
